

## Icon Project

Our Church needs Icons that are placed on the Icon stands during Sunday Liturgies and other church holidays. It is a standard for every Orthodox Church to have around 150 icons that are rotated throughout the year. We have a list of 123 icons that we need. Each icon costs \$33.00. The name of the donors will be attached to the back of the icons. You are welcome to donate one or as many icons as you can/wish. You can choose the icon from the list or leave it up to us to decide; the sooner you contact us, the bigger choice of icons you will have. In case the icon you wanted to donate is already picked we will contact you and let you choose from remaining icons. List of the available icons together with donors' names will be published in every bulletin. Please make donations to St. George Serbian Orthodox Church (attention: "Icon Project"). If you have any questions please contact Fr Zoran at frzoran@gmail.com or 218.428.4010.
